The Financial Halo, LLC/MedXPrime Compensation Plan is an exciting opportunity that rewards you for representing remarkable products and services and for sponsoring other individuals who do the same. Although the opportunity is unlimited, individual results will vary depending on commitment levels and sales skills of each participant. Based on industry standards and company projections, the average annual gross income for Associates is projected to be anywhere between **\$500 and \$2,000**. There will certainly be participants who will earn less while others will earn much more. We're excited about the Financial Halo, LLC/MedXPrime Compensation Plan and we're confident it will provide you a solid foundation to help you achieve your financial goals.

Any representation or guarantee of earnings, whether made by Financial Halo, LLC/MedXPrime or a representative, would be misleading. These income projections should not be considered as guarantees or projections of your actual earnings or profits. Success with Financial Halo, LLC/MedXPrime results only from successful sales efforts, which require hard work, diligence, and leadership. Your success will depend upon how effectively you exercise these qualities. Financial Halo, LLC/MedXPrime reserves the right to change compensation any time, especially due to policy changes by federal and commercial Insurance payers.

Once service providers make commission payments to Financial Halo, LLC/MedXPrime, Associate payments are calculated and paid. Commission payments to Associates are contingent upon the Company receiving payment from its service providers. Associate payments shall not become payable until the commission associated with services have been paid to the Company by the provider. All payments will come first to Company before remittance can be made to our Associates.

Financial Halo/MedXPrime is not in control of any billings, reimbursements, reimbursement amounts, or the timing of reimbursements by our service providers. These are controlled by the lab, the billing company, the federal government and insurance companies. The amount of reimbursements is very fluid in the medical laboratory services industry. We will continue to update any compensation changes as they are relayed to Financial Halo/MedXPrime.
